INDECOMM
DIFFERENTIATOR
DocGenius

DocGenius — Indecomm's DocGenius platform powers our Trailing Docs service — automating document tracking, follow-up, and exception handling so you can clear trailing docs faster and more consistently than an in-house team.

Robust reporting & interactive dashboards — real-time visibility into QC performance, defects, and trends. Consistent QC quality across loan types and channels.

PER-LOAN COST COMPARISON

Save \$27.42 per audited loan with Indecomm.
